Stay extension fee (extension option)

Early check-in and late check-out are only available if there are no other groups staying the night before or after in the area you are using. The following fees will be charged in addition to the accommodation fee. The plan is based on the time you enter and leave the park, not the time you use the bungalow.

Early check-in fee	Accommodation fee (1 night) x 25%	Check-in time can be changed to the morning (entry before 9:00 is not permitted). Bungalows and mountain lodges can also be used at the same time as entering the park.
Late check-out fee	Accommodation fee (1 night) x 25%	Check-out time can be changed to the afternoon (leaving the park after 5:00 PM is not permitted). Guests must leave their bungalows or mountain lodges by 10:00 AM. After leaving a bungalow, guests may only stay in the park outside of the accommodation.

(Example) 12 bungalows and Kurinoki Sanso, entering at 10:00

→Additional early check-in fee = (15,000 yen x 12 units + 38,000 yen) x 0.25 = 54,500 yen (59,950 yen including tax)

Day Camp Fees

Visitors exceeding the overnight capacity (5 people per building) will be charged the day camp rate.

As entry into the bungalows is not permitted, the fee is per person, not per building (except for mountain lodges). If combining this with overnight stays, the check-in time will be based on your accommodation plan.

Day camping on its own is only possible if there are no other groups staying the nights before or after (specified periods apply).

Day Camp Fees	¥3,000/person (Tax included: 3,300 yen)	Only the terraces of the bungalows are available for use. Entry into the rooms is prohibited. Bathing is not permitted. The number of available terraces is listed in the basic ledger. Available check-in times: 9:00-17:00 on the day. However, if you are not using the facility as a day camper, your check-in times will be the same as those available for overnight groups. Parking spaces may not be available if you have many private cars, so please carpool.
Kurinoki Sanso Honoki Sanso	¥10,000 /building (¥11,000 including tax)	Available check-in times: 9:00-17:00 on the day of check-in. Please refer to the accommodation fee table above for facilities and equipment.
Donguri Sanso Honone Sanso	¥5,000 /building (¥5,500 including tax)	Available check-in times: 9:00-17:00 on the day of check-in. Please refer to the accommodation fee table above for facilities and equipment.
